

PSA NATURE DIVISION DIGITAL COMPETITIONS FOR CLUBS

The judging for Contest #1 of the 2007-2008 Season of the PSA Nature Division Competition for Clubs was held by the Greater Lynn Photographic Association on Friday, October 26, 2007. The judges were Marilyn Cloran, FPSA; Karl Schanz, APSA and Kurt Schlicht; all Massachusetts Camera Naturalists and Greater Lynn members.

19 Clubs participated in this contest. As with last season, this season's contests are being held as a single class due to the small, but growing, amount of clubs participating in the program. The clubs will not be broken down into two classes until more clubs participate. Stony Brook's results were:
